Sabiha Gokcen Airport
32 min

Location and Transportation

**A new living
space with
its architecture
and privileges**

Modern and decent
living center with
fully equipped
interior architecture

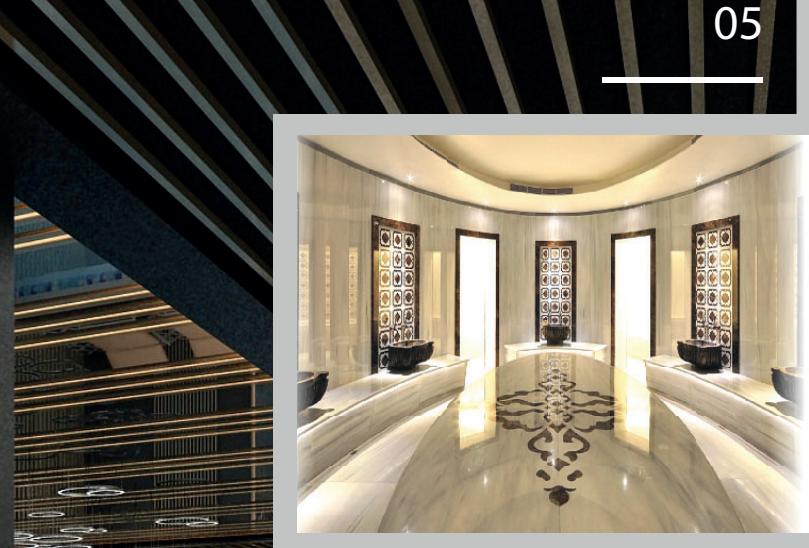

Cengelkoy, Full of Life

We want poems to describe Istanbul's past and present,
its mansions and gardens; its streets and streets' colors;
its night, its rain, its morning, the Bosphorus and every district from
Ortaköy to Emirgan, from Çengelköy to Kanlıca.

Let's build your future.

**Your home will
be your greatest entertainment...**

Medeniyetler *Çengelköy*, which has many social facilities such as indoor swimming pools, Turkish bath, sauna, hobby halls, fitness and pilates, jogging and walking tracks, will be both your home and your greatest entertainment...

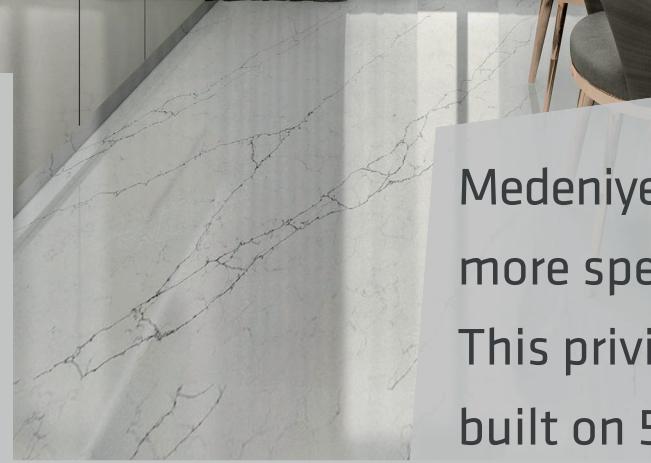

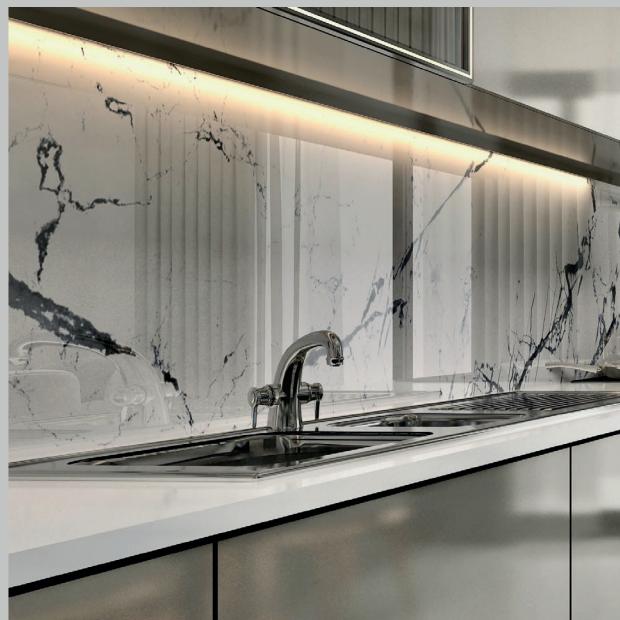

The holiday will never end in Medeniyetler Çengelköy with its living units reflecting the perfect harmony of comfort and quality.

You will live the life with the taste of holiday in every moment.

Our project change rights are reserved.

Modern

Medeniyetler *Çengelköy* makes every moment more special with its impressive architecture. This privilege life, which consists of 5 blocks built on 5000 m², opens the doors of luxury.

The past awaits you in all its glory.

You are invited to the historical Çengelköy, the pearl of the Bosphorus, to its streets leading to the sea, to start the day with the sound of seagulls, to breathe under the centuries-old trees, and to look at the sky with peace.

You can be both close to everything that meets all your needs and far from everything.

We shape the life of
your dreams...
Medeniyetler *Çengelköy* with all the
privileges that prepare you for a day

Life opens to green gardens

The new color of happiness for you and your family is the green of your garden which will add more than just a color to your life. Life in the comfort of a villa, which is surrounded by green grass for four season, where you feel as if you are in the nature.

11

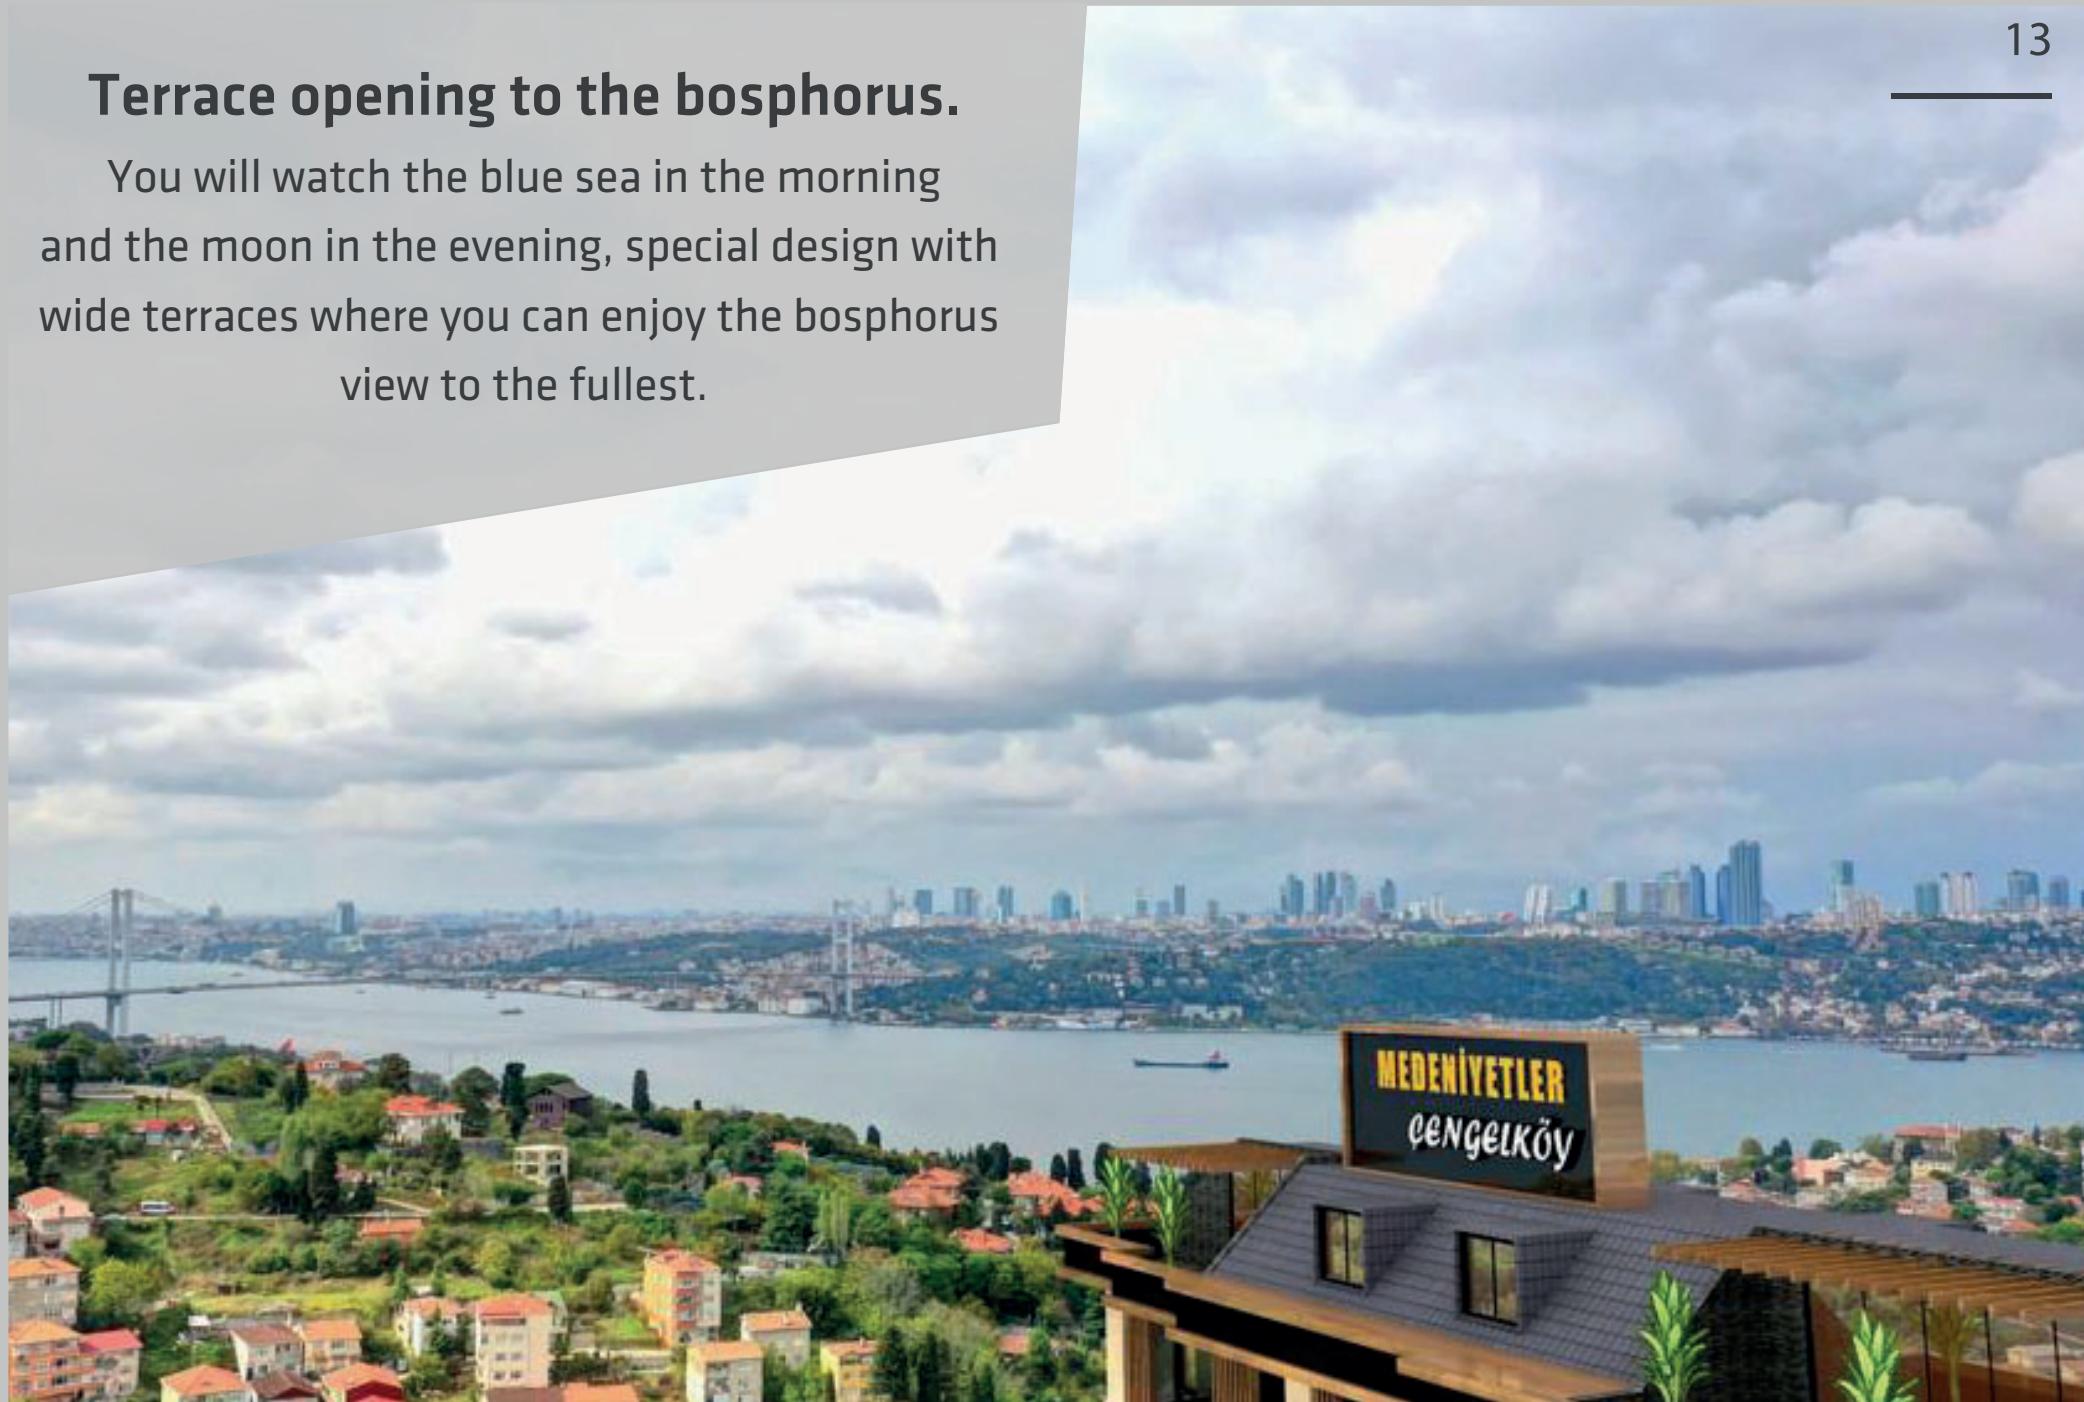

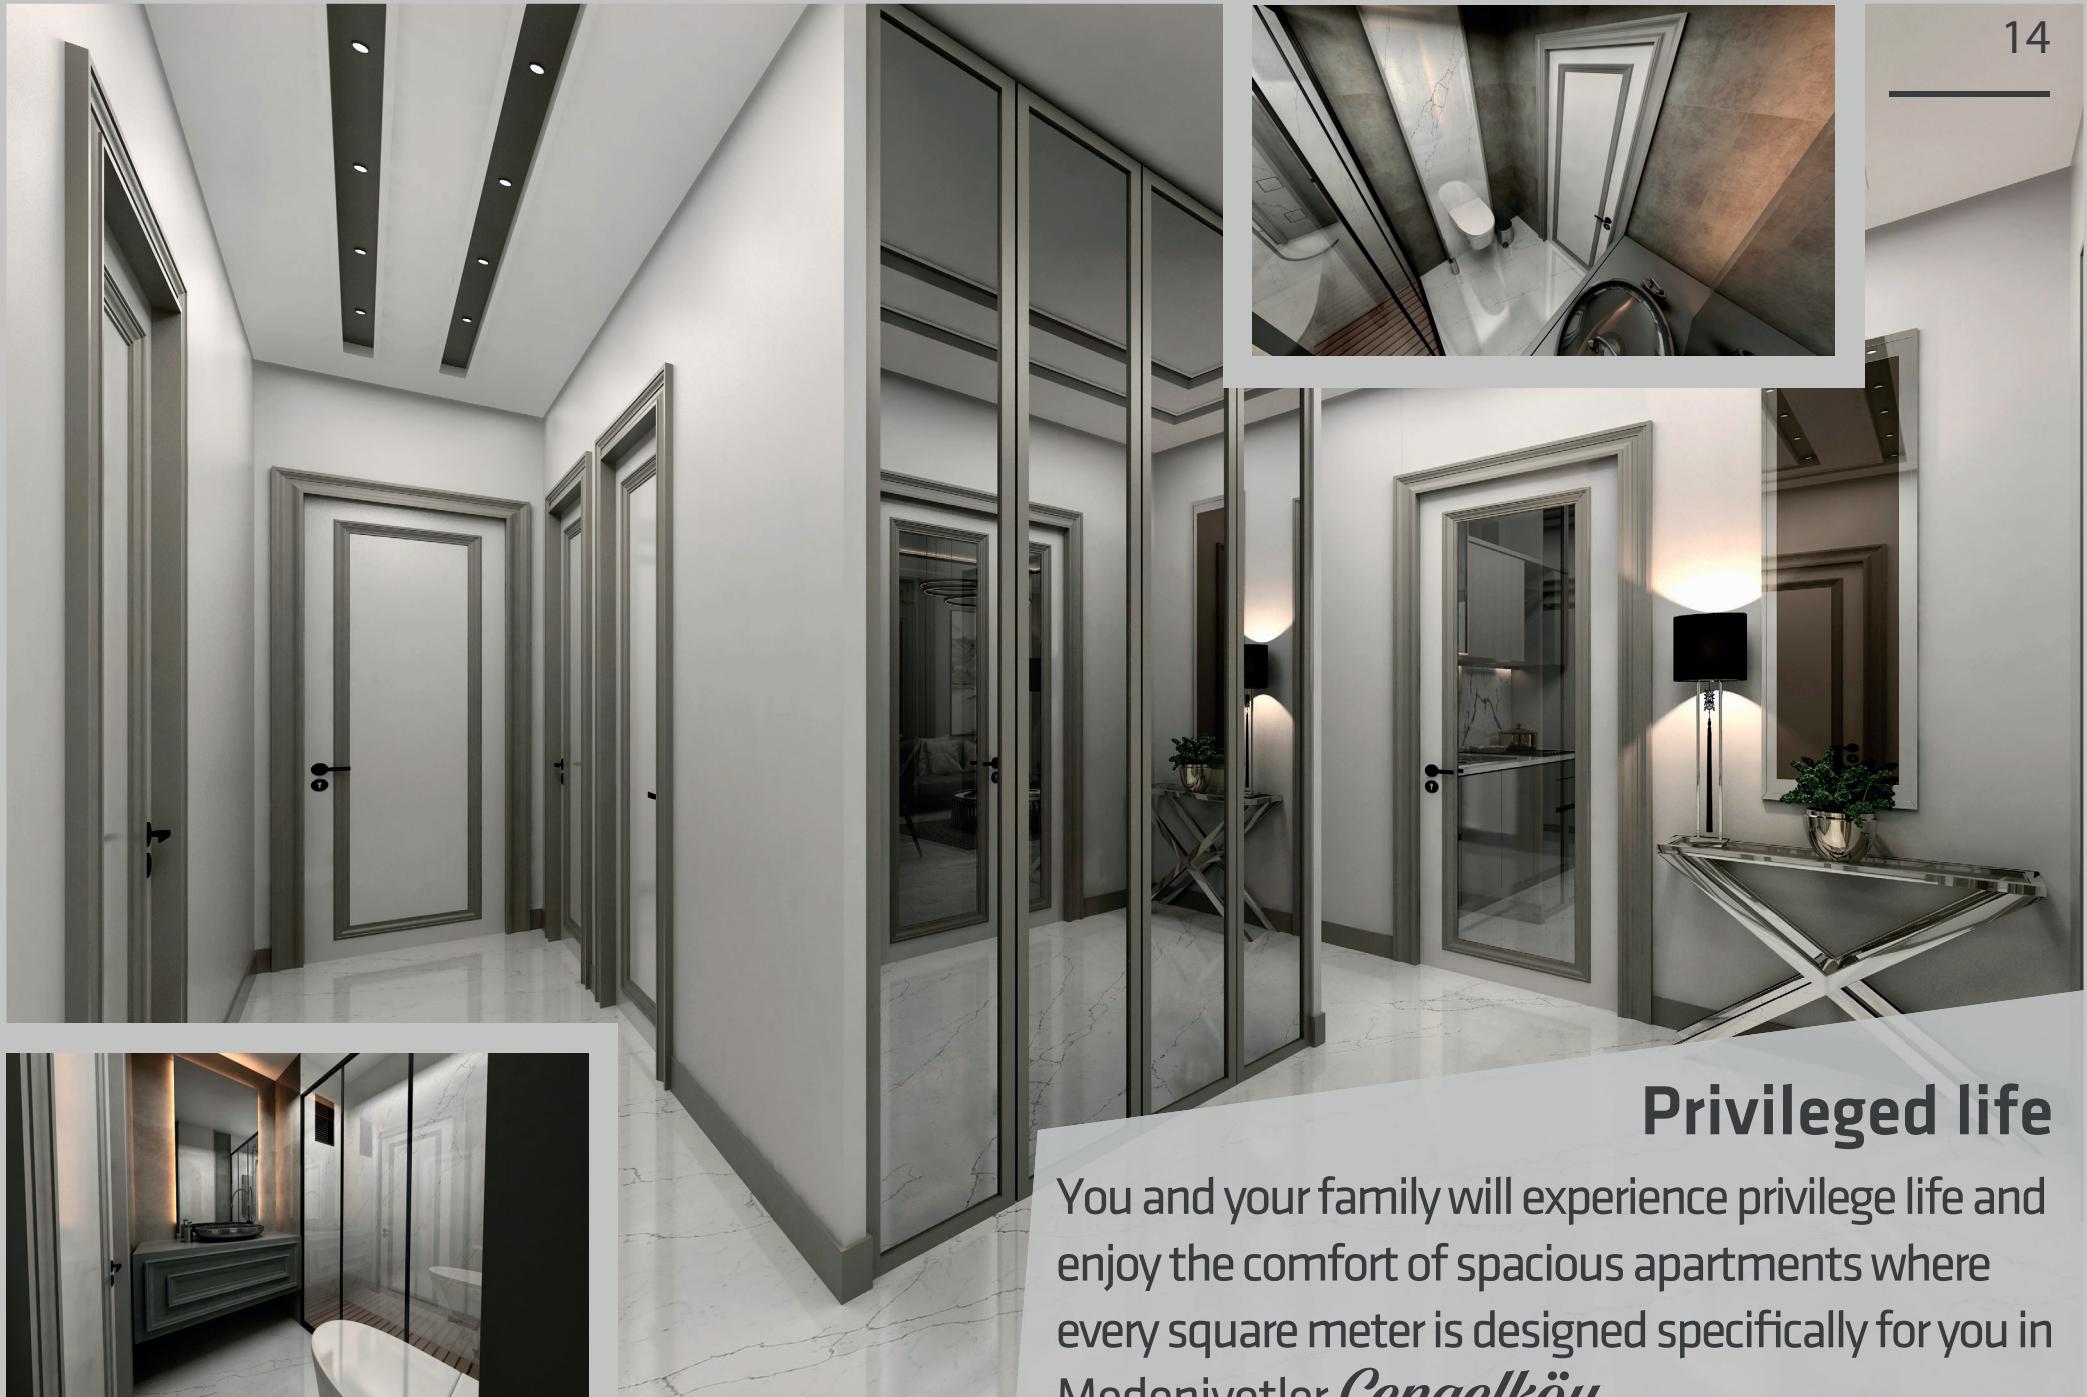

Buildings are rising based on the foundation of modernity and durability around the most beautiful district of Istanbul by Medeniyetler *Çengelköy*.

Terrace opening to the bosphorus.

You will watch the blue sea in the morning and the moon in the evening, special design with wide terraces where you can enjoy the bosphorus view to the fullest.

Privileged life

You and your family will experience privilege life and enjoy the comfort of spacious apartments where every square meter is designed specifically for you in Medeniyetler Çengelköy.
